

Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has the name of HENRY on every bottle wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, diarrhoea, catarrhal, pelvic drains, dragging down distress in lower abdomen or pelvic, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or the derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

The medical surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs. Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time. You can afford to accept a secret nostrum as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

REAL ESTATE AND BUILDING NEWS

Agents at Work Notwithstanding Blistering Weather, and Demand Is Active.

SOME SALES FOR THIS WEEK

The raw blistering weather with which April opened was not as encouraging to the real estate men as would have been a balmy spring day, but there is active inquiry, and the agents are hustling regardless of the no-wester which swept down upon Richmond yesterday in a way that made the West End and the East End six feet more like December than April. Messrs. J. T. Brown & Co., who report the following sales closed within the past six days, besides a number of others "on the string" and nearing consummation.

The brick dwelling, No. 1814 East Franklin Street, for \$1,875; the brick store, No. 1729 East Main Street, for \$1,600; the brick dwelling, No. 1910 East Franklin Street, for \$1,575; the frame dwelling, No. 702 Church Street, for \$600; the frame dwelling, No. 705 Church Street, for \$600; a twenty-acre farm on Bethlehem Road, for \$1,300, and several vacant lots in Lee District, on Church Hill and on North Seventh Street.

The following auction sales are announced for this week:

To-day at 5:30 P. M., C. L. and H. L. Denoon will sell the frame dwelling, No. 1424 West Clay Street.

To-morrow at 6 P. M., the same firm will sell the two frame dwellings, Nos. 1019 and 1012 Hickory Street.

Thursday at 6 P. M., the same firm will sell the large dwelling, No. 609 Randolph Street.

Thursday at 5 P. M., N. W. Dowd & Son will sell the property consisting of a store and two brick dwellings at the corner of Tenth and Broad Streets.

Property Transfers.

Richmond, Charles E. East to Elise Enders, 41-51-2-12 feet on east side of Belvidere Street, 20 feet south of 11th Street, \$1,525.

E. H. Chandler and wife to Alvin Netherwood, 25 feet on north line Grove Avenue, 11-12 feet west of Meadow Street, \$1,610.

T. Francis Green to Florence May Bedford, 60 feet on north line of Grove Avenue, 12-3-4 feet west of Strawberry Street, \$2,550.

Mary E. Rudder to Howard W. Slesby, 60 feet on north side of Leigh Street, 110 feet west of Dinwiddie Street, \$1.

H. R. Pollard, special commissioner, to H. A. Hare, 43-1-4 feet on north side of Brown Street, between Fourteenth and Fifteenth Streets, \$505.

H. A. Hare and wife to Hare-Robinson.

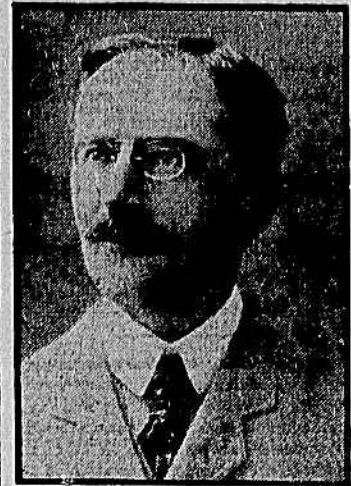

WILMER, NEW BRITISH VICE-CONSUL HERE

Well-Known Insurance Man Succeeds P. A. S. Brine at Richmond Post.

Arthur P. Wilmer, of the firm of Blackford & Wilmer, one of the leading insurance agents of this city, has been appointed British vice-consul to represent in Richmond the British foreign office and the government of His Majesty, the King of England and Emperor of India. Mr. Wilmer succeeds Mr. P. A. S. Brine, who for fifteen years past has represented His Majesty's government in this city. Mr. Brine tendered his resignation some weeks ago. Superintendent Consul Gilbert Fraser, of Baltimore, who acted in the matter for Sir Edward Gray, secretary of foreign affairs for Great Britain, appointed Mr. Wilmer to fill the vacancy.

Mr. Wilmer is a native of Leicester, England, and has been a resident of Virginia since 1885. He was for some time principal of the Abingdon Academy, at Abingdon, where he was united in marriage with Miss Margaret White, of that town. He has devoted other years of his life to educational work, having been at one time an instructor at the University of Virginia.

Since relinquishing educational work, Mr. Wilmer has been identified with several industrial enterprises. He was at one time secretary and treasurer of the Virginia and Tennessee Coal and Iron Company. Several years ago he came to Richmond and at once took rank in the business and social life of this city. He is very popular, and the appointment will be proving pleasant to his many friends here.

ARTHUR P. WILMER, New British Vice-Consul in Richmond.

STOCKS AND BONDS.

The bulls had the bears on the jump yesterday. That is a stock market expression, and describes the conditions prevailing during the day on the New York Exchange. The market opened with the advance, which was in progress Friday last still in swing, and as a rule very fair initial gains were recorded. After a brief period of early volatility, which was caused somewhat, owing to the fact that Canadian Pacific advanced so rapidly that fears were entertained of a corner in the stock, the entire market again became strong and continued so throughout the day, the strength and activity increasing as the closing hour approached. Shorts covered extensively, and in addition there was a good deal of outside buying. The market closed active at the top prices, with sentiment very much improved and confident predictions made in many quarters of considerably higher prices in the near future. The sales amounted to 1,877,770 shares, and \$1,831,000 of bonds.

The easing up in the money market undoubtedly contributed largely to the advance in the stock market. It showed its effect in the bond market also, where short time notes improved in price and diminished in supply.

Whatever may have been the causes for Friday's and yesterday's advances and for the decided strengthening of all securities, the behavior of the market on those days and the present conditions are much more pleasing to the people in this section than they have been for many weeks. Southern traders are "bulls," or they are out of the market, and therefore they have been practically eliminated for the past month. Now they begin to see gateways through which they may enter again, and they are comparatively happy.

The following is a comparative statement of the earnings and expenses of the Chesapeake and Ohio for the month of February:

Gross earnings, 1907, \$1,931,109.29; 1906, \$1,967,633.47; decrease, \$36,524.18.
Less expenses, 1907, \$1,348,570.30; 1906, \$1,187,207.55; increase, \$161,362.75.
Net earnings, 1907, \$582,538.99; 1906, \$780,431.92; decrease, \$197,892.93.
From July to date:
Gross earnings, 1907, \$16,514,837.22; 1906, \$16,057,661.18; increase, \$457,176.04.
Less expenses, 1907, \$10,590,703.51; 1906, \$9,665,142.31; increase, \$925,561.20.
Net earnings, 1907, \$5,924,133.71; 1906, \$6,392,518.87; decrease, \$468,385.16.

NOTABLE INCREASE IN RECEIPTS HERE

Richmond Post-Office Makes Splendid Showing for Month of March.

Cashier William M. Marriott, of the Richmond post-office, issued last night some interesting comparative figures with regard to the receipts for the month of March.

For the thirty-one days ending with Sunday the cash receipts of the office were \$47,465.64. The receipts during the corresponding period in 1906 were \$42,315.63, a gain for the year of \$5,149.95, or over 12 per cent. The grand total of receipts for the year ending March 31st was \$593,691.49.

It is thought that the fine showing made by the Richmond office will have great influence with the officials in Washington toward inducing prompt action in the matter of securing a new building for this city.

What Taylor Said.

Supervising Architect Taylor, who was here looking over the field some days ago, remarked to the Richmond architect that the proposed plan of having two buildings, with a piazza between, would not give sufficient floor room for the future growth of the post-office. It is believed that with the continued expansion of the postal business, there should be not less than 30,000 square feet of space on the first floor for the distribution of mail.

The Richmond architect who is quoted above, and who has taken an active interest in the post-office matter, is of the opinion that the best available site for the new building is the corner of Tenth and Main, occupying the whole block on Main Street, except the Mutual Assurance Society Building, and running through to Cary Street. This would give a magnificent entrance at Cary Street one floor lower than the main entrance, for the handling of second-class and heavy mail matter. The government regulations would require a "footway" between the government building and any other building on the block.

LADIES VOTE.

Take Active Part in Determining High School Site.

[Special to The Times-Dispatch.] LOUISIANA, April 1.—Louisiana has gone through another election, in which the ladies took part. It was for the location of a site for the new high school building. By popular subscription \$4,000 was raised, which added to the sum received for the old school building, which pays for the new building lot and \$3,000 to be received from the State makes \$7,000 available for the new building outside of the lot. Three sites were offered, and by vote it was decided to put it on the Goode lot in the new annex to the town on a commanding hill overlooking the town and accessible to all points. The plans, which are now in the hands of an architect, include besides classrooms, a large auditorium, and the building is expected to be ready for the fall term of the school.

Carlisle Cross-Country Candidates

CARLISLE, Pa., April 1.—In less than a week the Carlisle Indian candidates for honors in the cross-country run will take to the track. It is predicted that the new Hopi Indians, who recently arrived at the school from Arizona, will surprise every one connected with the field events, and the witnesses, by their fleetness and power of endurance. Coach Warner states that the greatest difficulty in the training of these Indians is to teach them to sprint on the end of the ninth or tenth of a mile. As soon as possible the new Indians will be entered in the track events of the school.

Our New Home

Right in the Centre of the Furniture District.

We Have Just Received One Carload of

Alaska Refrigerators

And Have Two More on the Way

That shows OUR confidence in the ALASKA!

YESTERDAY we sold \$319.44 worth of ALASKA Refrigerators! (Just got them in.)

That shows our CUSTOMERS' confidence in the ALASKA.

We have sold the ALASKA for the past fifteen years, and last year sold five carloads!

That shows EVERYBODY'S confidence in the ALASKA.

Now, don't you run any chances, but you come right to us (sole agents), and buy the best Refrigerator in the world, in fact as well as by reputation. All sizes here in stock. Prices run from \$4.78 to \$142.00 each.

Baby Carriages

We've just received another large shipment of Heywood-Wakefield Baby Carriages and Folding and Collapsible Go-Carts. One fine thing about the Heywood line is that they are not peayunish about repairs. Prices range from \$1.98 to \$65.00.

JOHNNY MARTIN HIGH GUN AGAIN

Shooters of Richmond Club Suffered Much in Bitter Cold.

Owing to adverse weather conditions the attendance at the Easter Half-Day Tournament of the Richmond Gun Club was very small.

With the thermometer down to a point that almost froze the marksmen's fingers as he grasped the gunbarrel, and with a wind which sent the targets skyward one moment and dipping like a swallow the next, high scores were well-nigh impossible.

Nevertheless a very good showing was made by those who braved the weather. Johnny Martin was again high gun, with a score of 90 out of 100, which was phenomenal shooting, considering conditions. Martin was closely followed by Mr. Brown, with 85, Lawrence and MacLellan tied for third place, with a score of 81. "Poor Bill" Johnson easily accounted for 77, and intends taking on a match with Nicol by giving him a hand-deep.

Let those who are interested in this column keep the eye on Johnny Martin. He is shooting in the form, and it is expected this up he will probably be one of the stars at the coming interstate tournament in May.

The club will hold its regular weekly shoot on Saturday at 2 P. M. All shooters are invited to attend. A feature of the evening was the breaking of seven pair doubles straight by Mr. James A. Anderson with his automatic shotgun.

The score follows:

Johnny Martin	100
Brown	85
W. S. MacLellan	81
Lawrence	81
"Poor Bill" Johnson	77
Walsh	75
Lothman	75
Tomlinson	75
Parker	59
Bithy	59
Brum	25
Litho	15

PLAY TO TIE.

Lynchburg Shows Up Finely Against Binghamton.

[Special to The Times-Dispatch.] LYNCHBURG, Va., April 1.—The Lynchburg Virginia League team and the Binghamton team of the New York State League played a tie game here today, the score being 2 to 2. The weather was almost at the freezing point, and the game was called at the end of the ninth on account of the cold. The locals used three pitchers because the twirlers are not seasoned, and the visitors failed to get a

FEMALE SKATERS TO RACE HERE

Miss Alma Evans May Meet Miss Light on Wednesday Night.

Two large holiday crowds attended the sessions of the local skating rink yesterday afternoon and last night.

The fancy and trick skating turn of Miss Fanny Light proved a decided novelty in the amusement line, and her many and gracefully-executed feats on roller skates were liberally applauded. Her heel and toe work compares favorably with that of any expert on skates ever seen here.

Teckless Recklaw, in his sensational style, set a record with Miss Light, and "Snowball" added comic

stunts to the very attractive program put on.

On Wednesday night Miss Light, in addition to her skating feature, will race any female skater in Richmond. The rink management are trying to arrange a contest between Miss Light and Miss Alma Evans, the fast little local skater.

On Thursday, Friday and Saturday nights Recklaw will meet Brent in a series of three races—bicycle vs. skater. All these contests promise to be good ones, and will doubtless attract large crowds.

The usual series of new and interesting pictures will be shown.

Guilford Loses at Lafayette.

GREENSBORO, N. C., April 1.—Guilford College played and lost the second game with Lafayette here this afternoon, the score being 2 to 1. It was the best-played game of the season, taking but an hour and twenty minutes. Lafayette scored its two runs in the first inning, Guilford earning its one in the eighth.

Batteries—Guilford, Price, Doak and Hobbs; Lafayette, Shuler and Snook. The game between Guilford and Cornell for Tuesday has been canceled.

Superior Goods VS. Inferior Goods.

You are a manufacturer, say. Your plant produces an article superior to that of your competitors. You are business men of equal ability. Yet his business is larger than yours and continues to grow. You wonder why. If those conditions exist your competitor advertised and you do not. He is telling the public of his article, claiming merit for it. It does possess merit, possibly not as much as yours; but it has its good points, otherwise the public would not continue to buy. Advertising sells it.

Why don't you advertise? Go to the public and ask for your share of business. Your goods of superior merit will sell more rapidly and at a better price than your competitor's goods of inferior merit. The Massengale Advertising Agency, of Richmond, Va., and Atlanta, Ga., will direct your advertising campaign. They have years of experience and knowledge of space values and rates to recommend them. Correspondence is invited. Estimates cheerfully furnished.
